

## Feeding Ministry

### Our Mission

The mission of the Feeding Ministry is to provide food/fellowship/ministry to the people of the Dublin and Pulaski areas that are in need.

### About Us

We take phone calls each Wednesday (with the exception of the first Wednesday of each month) from 9 to 11 a.m. We schedule a visit to the family either later that day or Thursday and deliver a bag of groceries. We also provide fellowship and offer prayer to those that will accept it. We take literature on our church, as well as various programs that we offer, such as Celebrate Recovery.

### Who can get involved?

Anyone can be a part of this ministry. We just ask that you be comfortable praying with people and listening to their needs upon your visit to their home. We collect food throughout the year by setting up tables periodically in the church foyer and receiving designated monetary donations.

To get involved with the Feeding Ministry, please contact Tracy Seymour Miller.
