To Our House (TOH) is a growing group of interested citizens, faith communities, and social and human service professionals who have joined to provide temporary winter shelter for single, homeless men in the New River Valley.

- Report each evening by 5:00 p.m. to the Intake Center @ New River Community Action
- 110 Roanoke Street, Christiansburg (across from Hardee's)
- Transportation will be provided to a warm location for the night and return to the Intake Center the next morning.
- Dinner & Breakfast will be provided.

Sponsored by To Our House in partnership with New River Valley interfaith congregations and community organizations.

Persons in our area who have no permanent home are generally less visible because they may temporarily live in motels or with friends. Many of the guests who have found shelter through TOH have previously lived in:

- The woods
- Caves
- Storm culverts
- A friend's pickup truck
- A cardboard box
