Habitat for Humanity ReStores are nonprofit home improvement stores and donation centers, a thrift store concept that sells new and gently-used furniture, home accessories, building materials, lighting & plumbing fixtures, tools, and appliances to the public at a fraction of the retail price. Proceeds are used to build homes, community, and hope locally and around the world. Our ReStore: • Accepts gently-used and new products from the public, individuals and businesses • Uses mostly volunteer labor • The

profits go directly toward our charitable mission to provide affordable housing in our community! Our 22,000-square-foot former grocery store is a brightly-lit space with a lot of parking and immediate access via 460; a central location. There's a loading dock in the rear for receiving donations, with plenty of space to process them. We are always looking for donations, and can come to you to pick them up! We are interested in unused home project items, gently-used furniture, appliances, doors, windows, unused contractor items, etc. We are also looking for relationships with businesses to recycle their returns, factory seconds, etc. If you think we might have it, call or come by and browse our constantly-changing inventory! We have many items listed on Craigslist as well, if you prefer to browse online from your home; simply visit the NRV/Blacksburg Craigslist page, and enter "Habitat For Humanity" in the search box to your left. We hope to see you soon! ☺

EARTH DAY 2017

Join us in our 4th annual **Earth Day Contest**. Whether you are re-purposing, up-cycling, or just wild and creative, bring your project to the ReStore for display and judging. There are categories for Students and Adults, functional and artistic, not to mention ribbons and prizes. We will be accepting submissions from April 11th until April 21st at 6pm. You can still display your work even if you miss the judging deadline. **Call the ReStore with questions at 540.381.1155.**

Contest Guidelines:

Three Categories; Under 18: Functional and Art, Adult: Functional and Art. Group: Functional and Art. Participation gift for children, First, Second and Third places for other categories.

Winners for each category will win ReStore Gift Certificates.

Submissions accepted April 11th-21st. Winners announced at 12:00 PM April 22nd during our Earth Day Celebration.

Entries can be retrieved April 25th-29th. Submissions must be "family friendly" and the ReStore reserves the right to make that judgement.
