His Provision Food House

NEXT DISTRIBUTION: Sunday, September 24, 2017, 2 PM

Following Jesus' instruction to feed his sheep and imitating the example of the early church, Radford Worship Center established a monthly food distribution ministry. Working with Second Harvest Food Bank and many local and regional grocers, countless volunteers distribute literally hundreds of pounds of groceries at the Food House to many families each month in the New River Valley completely free of charge.

His Provision distributes food on

the fourth Sunday of each month at 2 PM at the church

(except November and December, distribution will be the Sunday before the holiday).

Those who come at this time register in the lobby of the main sanctuary, and then are directed to the Food House located on Second Street next to the main RWC parking lot.

For more information about **His Provision** or to find out how you may get involved with this vital ministry, contact us at the church.
